USAGE TIPS:

These tips ensure both comfort and longevity for your gaming experience!

Proper Posture

Sit back and relax in your gaming bean bag, maintaining good posture to avoid strain during long sessions.

Adjust Seating

Reshape the bean bag for better support. Move the beads around to create a custom fit for your body.

Comfortable Space

Position your bean bag where you can comfortably reach your gaming setup, whether it's a console or PC.

Take Breaks

Stand up and stretch regularly to avoid stiffness and maintain comfort during extended gaming hours.

Clean Regularly

Keep your gaming bean bag clean by spot cleaning with a wet cloth. Avoid soaking the fabric to keep it fresh.

Fluff Regularly

Periodically fluff the filling to maintain its shape and ensure beads are evenly distributed for continued comfort.

Avoid Overfilling

When refilling, avoid overpacking and overfilling. It should be firm yet comfortable for proper support.

Zipper Damage

Ensure the zipper is functioning well to prevent bead spillage. Repair or replace it if needed.
